Dear SAIA Member,

We were all so excited to be able to watch your contest and bidcalling contest online! Thank you for having us!

As you know, NAA is taking a much more active role in recruiting members from outside North America, and we'll be announcing a membership structure to support that at our annual meeting in July. However, the relationship we have with SAIA is special, and I'd like to unveil the International part of that structure to you now.

Beginning now, members from outside N America will pay dues of US \$175 annually v the \$325 that members inside of N America pay. You'll still get all the benefits, including our Community Conversations where you're able to network with auction professionals around the world, our online education offerings, our biweekly eNewsletter and the award winning *Auctioneer* bimonthly.

You've worked hard to build your business we want to help you keep it growing. We're so excited to welcome you to the NAA Community!

Sincerely,
