INSURANCE SOLUTIONS DESIGNED FOR AUCTIONEERS

The auctioneering industry faces a unique set of risks and need to be safeguarded against the perils of insurance claims. Our comprehensive liability insurance solutions are crafted exclusively for auctioneers, ensuring your livelihood and financial future remain secure.

Robin Baird Wright is the appointed insurance broker of the SAIA Liability Insurance Scheme

A unique insurance offering

PROFESSIONAL INDEMNITY

Ensures financial protection against potential legal claims arising from errors, omissions, or negligence while providing a professional service.

COMMERCIAL CRIME

Provides coverage against various forms of theft, fraud and dishonesty committed by employees, whether acting alone or in collusion with others.

PUBLIC LIABILITY

Public Liability provides cover for death, injury or damage to third party persons or property arising from business operations.

DIRECTORS & OFFICERS

Protection that covers directors and officers for claims resulting from managerial decisions that have adverse financial consequences.

CYBER INSURANCE

Offers financial protection against potential data breaches and cyber attacks; safeguarding sensitive information and ensuring business continuity in an increasing digital marketplace.

Merchandiser / Housewares

PRESTIGE QUALITY HOUSEWARE

Prestige® Quality Housewares (PQH) is known for its extensive range of baking products, kitchenware and essential cooking accessories. Acquired by the FACKELMANN Group in 2015, PQH, along with sister company Wechsler, have over a Century of experience in importing and distributing branded, non-branded and private label solutions to the retail and hospitality industries, with both a national and African footprint.

Our long-standing business base, passionate management and sales teams, and dedicated staff along with an efficient supply, warehousing and distribution model ensures that we have the resources to withstand adversity and offer our clients a diverse range of merchandise.

The categories in which we specialise include Housewares, Kitchen, Cutlery, and Glassware, and Table Top product. Aside from the ownership of the Prestige® and Fackemann® brands, the business also distributes on behalf of international principals and provides private label solutions to its broad range of clients. Today, we form part of the family of companies, that is Fackelmann®

Private Security

EYONA SECURITY SOLUTIONS

Eyona Security Solutions offers private security services customised to meet the specific needs of our clients. Recognising a gap in the market for affordable yet high-quality security, we built a company that values personal connection and exceptional service over becoming a large, impersonal corporation. As a family-oriented business, we are committed to maintaining direct involvement with our clients, ensuring quick response times and unmatched customer care.

We serve the business, commercial, and industrial sectors, along with homeowners and tenants in Meyerton, Randvaal, the surrounding areas, and the Greater Johannesburg Area.

Our alarm monitoring and armed response services are currently limited to Meyerton and its immediate surroundings.

Services include Armed and Unarmed Security Guards, CCTV and video surveillance, Property/Land security, event security, alarm installations, polygraphs and more

AuctionApp.io

AuctionApp.io is auction software you can use to add online bidding capabilities for your clients. You'll get your own branded, web- and app-based auction platform, plus tech support from real people via email or phone, and an easy-to-use admin portal that makes uploading your auctions simple, even if you're not tech-savvy. No need to worry about high costs, we charge no commission fees on auctions, just a budget-friendly upfront subscription fee in Rands. Plus, with AuctionApp.io, you'll have the opportunity to allow third parties to advertise on your auctions and keep any revenue earned, essentially making your platform pay for itself.

MEERKAT ONLINE AUCTIONS

Meerkat Online Auctions is an online bidding platform that facilitates auctions online for a wide variety of items. Our platform features auctions in categories such as cattle, vehicles, property, furniture, tractors, trucks, trailers and wine, among others.

Meerkat can provide live online auctions or timed auctions, meaning they run for a set duration during which bidders can place bids until the auction closes. Users can browse lots, place bids, and track auction progress in real time. Although Meerkat is based in South Africa, the platform is accessible to users nationwide, making it easy to buy across regions. In short, Meerkat Online Auctions connects sellers and buyers through a streamlined and efficient digital auction process.
