

POLICY ON FOREIGN QUALIFICATIONS

SOUTH AFRICAN INSTITUTE OF AUCTIONEERS

SAIA recognises that in terms of the NQF Act [2008], SAQA is the **only** body that is duly authorised through national legislation and regulation to recognise and verify foreign qualifications of persons wishing to work/stay in South Africa.

As such SAIA will only accept a valid SAQA certificate that verifies a foreign qualification of an application for one of the SAIA designations.

Note: Fee for the Foreign Qualification to be verified and evaluated by SAQA will be at the cost of the applicant.
